

DRIVING DIRECTIONS

Take the exit for West Seattle from I-5 or WA 99. You will be traveling west.

The two-lane road you are on will connect to the West Seattle Bridge.

Continue on the bridge. Don't take any of the exits. Follow the sign for Fautleroy Way SW. The road will go up a hill and bend left. The road turns into Fautleroy Way SW.

Go to the fourth traffic light. (This unusual intersection is Fautleroy and Alaska. There will be a 76 gas station on your left, a Shell gas station straight ahead, and a Schuck's/Hancock Fabrics on your right.

Turn RIGHT onto Alaska Street SW. (It is more or a bend right than a 90-degree right-hand turn.)

Follow Alaska Street SW for five blocks. You will travel through two lights until you get to a stop sign. This is 44th Avenue SW.

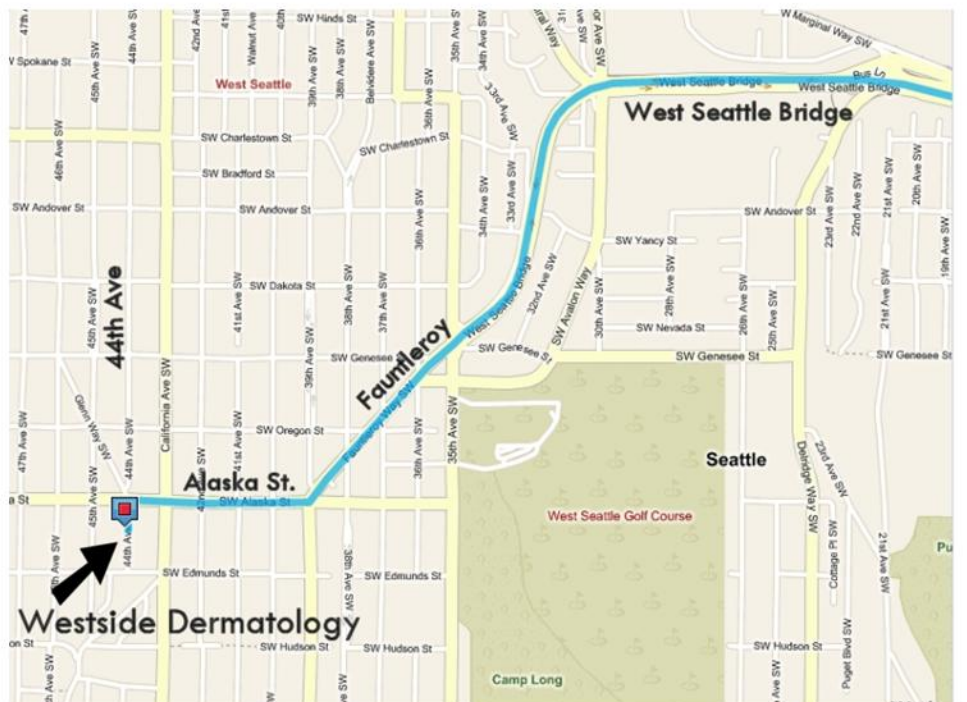

Turn LEFT onto 44th Avenue SW.

Westside Dermatology will be the second building on the left. It is located next door to the Junction Tower and across the street from Edward Jones and True Value/Junction Hardware.

Park in the free parking area next to the clinic.
